COUNTERFEIT!!

CAUTION TO PARTIES PURCHASING

S. N. PIKE'S

CINCINNATI, OHIO.

THE undersigned, manufacturer and sole proprietor of the above brand of Whise ky, would respectfully inform his customers and purchasers of this celebrated brand, that there

has appeared in the Charleston and other Souther markets a counterfeit of the above Whisky, being

passes under the name of S. N. Dike's Magnolia Whis ky, Cincinnati, Ohio, and other names similar to S. N

Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those

who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imita-

tion, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison; this

brand, and touch that it contains a tearly possess, that alone impels me to caution the public—protect those who are hable to be deceived, and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of

the law. The genuine S. N. Fike's Magnolia Whisky is distilled from the best qualities of Rye and Corn, and is warranted free from any deleterious or obnox-

ous compound, it being a pure and bealthy beverage Many parties have recently commenced making a

cand of Whisky Called Magnolia, but they are a

imitation of my trade brand; so be careful and get the only genuine Magnolia Whisky made in the United

It furrows out the ground to any required depth—drops the corn, as many kernels as desired, in a space of four inclies tiameter, mathematically in the hill—powers the hills and presses the carth, (as by the old method with the hoe)—and marks accurately the peation of each hill. With a single horse, a man or boy can plant ten to fifteen acres per day with case.

Plantors and others are invited to an examination of the machine, at Messes. Armstrong & Co's, where it may be seen daily in practical operation.
